Dear your Honor,

Today is November 18, 2024. On October 28, 2024 I received the courts order that Asher must send me a copy of the case file by October 31, 2024. I already mailed the letter to the court requesting Asher to be held in contempt not knowing he communicated with the court on this issue. As well I have received no notice from Asher of the request for an extension. I then, received the courts order 11/4/24. Then on 11/12/24 I received the courts orders that you received certificate of service from Asher that such was mailed to me. To date , I haven't received not a piece of paper from Asher since his motion of recusal. There are many cameras on my unit and a law book for logging of legal mail. I have not received it. From experience with legal mail it is a bit unusual for it to take more than 3 business days to get such once it arrives at the facility. Further the allotted time the court allowed from the time of its latest order to the plaintiff first deadline is much needed time that the plaintiff needs in order to salvage and put on his case. Therefore your Honor I am humbly thankful and request can the proceedings be stayed again until I receive my case file. Last, if this delay is not on behalf of Green Haven C.F and I do not receive it within the week I am requesting to resubmit my request to hold Asher and associates in contempt of the courts order.
